[Windsor, November 8, 2023] As we continue our journey to be a leader in supporting individuals affected by learning disabilities, we are thrilled to announce that we will relocate our office to the Maryvale Campus (Prince & College) on January 1, 2024.

This move is a significant step in aligning our organization with our strategic direction. It demonstrates our unwavering commitment to investing in individuals affected by learning disabilities, ensuring they are accepted, supported, and empowered to achieve their full potential.

The Maryvale Campus provides a dynamic and inclusive environment that aligns perfectly with our mission. It offers ample space for collaboration and innovation.

This relocation is more than just a change of address; it's a symbol of our continued growth and commitment to our mission. It will enable us to serve our community better and positively impact the lives of those we support.

We understand that a move like this involves several logistical considerations, and we are committed to ensuring a smooth transition for all. Please rest assured that we will do everything possible to minimize disruption and inconvenience during this transition.

We look forward to this exciting new chapter and the opportunities it will bring for our organization, team members, and the individuals we serve. Thank you for your continued support as we work together to make a meaningful difference in the lives of those affected by learning disabilities.
