Association of Windsor-Essex County

Fall Registration is Now Open!

Our fall programs are now open for registration! We offer supportive, skill-building programs designed to help children and youth with **learning disabilities, ADHD,** and **learning challenges** build confidence and reach their full potential.

Program fees are already subsidized for all families, and **qualifying low-income families may be eligible for additional financial assistance for most programs.**

If you have questions, please contact us at 519-252-7889 or visit <https://ldawe.jumbula.com/> to view programs and register online.

Introducing the LDA Learning Centre

We are excited to introduce the LDA Learning Centre—a welcoming and supportive space where children, youth and adults with learning disabilities, ADHD and learning challenges can access specialized programs designed to help them succeed. Through literacy, math, social-emotional learning, assistive technology, coaching and family support, we help individuals build skills, confidence and independence at every stage of their learning journey.

Take a Book, Share a Book!

Visit the LDA Learning Centre's Free Little Library! Everyone is welcome to take a book to enjoy or leave a book for someone else to discover. By sharing books, we can encourage a love of reading and help make books more accessible to children, youth and families in our community. No registration is required—just stop by, choose a book and enjoy!

If you have books you would like to donate, please bring them in or email programs@ldawe.ca to arrange a pickup by one of our volunteers!

Virtual Barton Reading & Spelling Program

Our Barton Reading and Spelling Program is also available virtually, allowing students to receive specialized one-to-one literacy support from the comfort of home. This structured, evidence-based program helps learners with dyslexia, learning disabilities and reading difficulties strengthen their reading, spelling and confidence through personalized online sessions with a trained tutor.

Contact Diane at programs@ldawe.ca to learn more or reserve a spot.

2nd Annual Ladies Golf Tournament

Join us September 18th at Oxley Beach Golf Course for **2nd Annual Ladies' Golf Tournament** — an evening of fun, friendship, and fundraising. \$85 includes tournament, dinner and music for registered players.

Thank You Jumpstart Charities

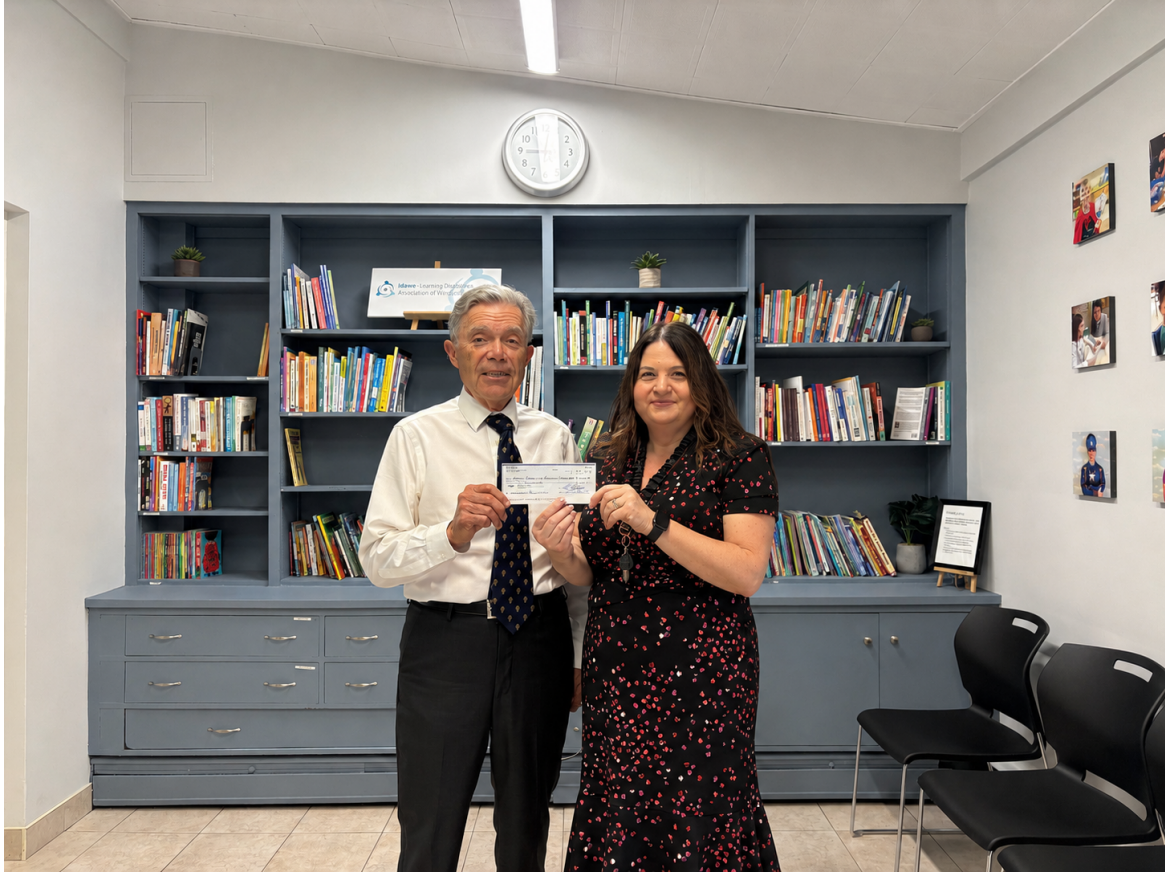

We are incredibly grateful to [Canadian Tire Jumpstart Charities](#) for providing a grant that helped support our summer camp. This funding gave children the opportunity to stay active, build confidence, develop new skills and experience the joy of participating in inclusive recreational activities. Through Jumpstart's support, Coach Mahari joined us to lead engaging sports and movement activities, encouraging teamwork, perseverance and plenty of fun. It was a wonderful experience for our campers and made our summer program even more memorable.

Our experienced coaches provide **academic coaching, ADHD coaching, employment readiness support** and **goal clarification**, all focused on real

action and meaningful growth. To learn more and register: [Thrive Coaching Ontario](#)

Thank You Knights of Columbus Francis J. Clarke Council No. 5350

A heartfelt thank you to the Knights of Columbus Francis J. Clarke Council for their generous \$10,000 donation supporting our children's literacy programs.

Your generosity is helping provide life-changing reading intervention and educational support to children in our community. Together, we are opening doors, building confidence, and creating brighter futures—one reader at a time.

At LDAWE, we believe every child deserves the opportunity to learn to read. Thank you for standing with us and investing in the success of local children and families.

Build a More Accessible and Inclusive Workplace with AccessABLE

Does your organization need training on accessible employment, inclusive recruitment, workplace accommodations, or supporting employees with disabilities? AccessABLE, LDAWE's social enterprise, provides practical, customized training to help employers remove barriers and build more inclusive workplaces. Contact us at info@ldawe.ca to discuss how AccessABLE can support your organization and your team.
